

ZhengNami

Front-end Developer

I have been working with web development since 2018. I am a self-motivated and self-taught professional who likes to solve problems. I am a seasoned front-end developer with extensive expertise in React, Next, Laravel, JavaScript, and TypeScript. Possessing an entrepreneurial spirit and a robust work ethic, I have collaborated with diverse companies of varying sizes and scopes. My adept understanding of software architecture, UI design, and client-facing applications equips me to excel in projects of any scale
